

several of you are going to SAC tonight. Please vote if you care to. Record, Mr. Clerk.

CLERK: 25 ayes, 0 nays to cease debate, Mr. President.

SPEAKER NICHOL: Debate is ceased. Senator Haberman, would you like to close please.

SENATOR HABERMAN: Yes, Senator Lundy, I fully appreciate the fact that there is two different issues, one goes to state highway and one goes to the cities and counties. I know that but the 2.4 percent increase still goes to the citizens of the state and you can't deny that and I don't think you will. We are still going to raise the gas tax 2.4 percent and that is about 30, 35 percent increase. I don't think we can stand it. Mr. President, I have got a feeling the votes aren't here to bracket so I withdraw the motion and let's see what happens to the bill.

SPEAKER NICHOL: Back to the bill. Any more motions?

CLERK: I have nothing further on the bill, Mr. President.

SPEAKER NICHOL: Back on the bill. Senator Chambers.

SENATOR CHAMBERS: (No response.)

SPEAKER NICHOL: Okay, Senator Hall, do you wish to move?

SENATOR HALL: If I don't have to...

SPEAKER NICHOL: Would you like to, though.

SENATOR HALL: Mr. President, I move that LB 112 be advanced from Select File to E & R for Engrossment.

SPEAKER NICHOL: You have heard the motion. All those in favor say aye. Senator Chambers.

SENATOR CHAMBERS: This is not right.

SPEAKER NICHOL: Just about dealt you out.

SENATOR CHAMBERS: Mr. Chairman and members of the Legislature, I would like to ask Senator Warner a couple of questions if I may on this tax.
